Master Teacher  
School

What is the most important thing that you learned from your master teacher?

What did your master teacher do that helped you the most?

How often did you schedule conferences with your master teacher?

Rate your master teacher’s level of expertise in the following areas:

- **Inadequate**  
- **Competent**  
- **Outstanding**

Preparation of the environment  
Observation  
Responding to the students’ needs  
Verbal responses to the students  
Individual coaching  
Group presentations  
Structuring activities  
Class leadership

Family partnerships  
Staff relations  
Continues own learning  
Modeling
What suggestions can you make to your master teacher in becoming more effective?

How would you describe the atmosphere of the staff with each other?
